This class will explore techniques of matting and framing works of art on paper and canvas. This class may be taken for credit/no credit per student option. Students taking the class for a letter grade will be required to take an exam covering lecture topics.

For Materials needed, see the materials list.

This course will be taught using studio assignments and demonstrations.

**Grading Evaluation:**
Your grade evaluation will be based on the following:
1. In-class assignments
2. Class Participation.
3. Attendance.

**Requirements:**
**Attendance:** Attendance to all class meetings is mandatory. Students who miss more than one class will not receive a passing grade.

**Completion of Studio Assignments:** To successfully pass this course, students must mat and frame a work of art. Materials are to be provided by the student.

**Lockers**
There are lockers available in the hallway outside room 1303. They are available on a first come first served basis. To obtain a locker, you need to put a lock on it and then fill out a locker card, available from the instructor.

**Equipment:**
Each class you will need to have your supply of materials from the supply list, as well as anything else suggested from the previous class.

**Course Credit**
All students are automatically enrolled to receive letter grade credit for this class. If you prefer to take the class for credit/no credit, select that option on WEBSMART.
