Concept Map 2

Place the following terms into the correct boxes:

Carriers
Contact
Death, mortality
Endemic
Epidemic
Incubation period
Nonliving
Pandemic
Period of convalescence
Period of decline
Period of illness
Prodromal period
Sporadic
Vector
Vehicle
Zoonoses

Compromised host
Susceptible individual has
Symptoms
Signs
due to
Primary infection
Extent
vary with
includes
Local
Systemic
Focal
Bacteremia
Septicemia
Primary infection
Acute
Chronic
Subacute
Latent
Subclinical
Secondary infection

DISEASE

Susceptible individual has

Period of illness
