

Fun Word Problems Sheet Five

1. You fill up your gas tank that holds 15 gallons. Then, you start a long road trip. If your car gets 25 miles to the gallon (it's NOT a HUMMER...) how much gas is left in your tank after traveling 100 miles?
2. You buy 2 pounds of coffee worth \$8.50 per pound and 3 pounds of coffee worth \$9.25 per pound. How much is all your coffee worth?
3. Sunny Delight fruit drink is about 10% real fruit juice. About how many ounces of real fruit juice are in a 16 ounce drink of Sunny Delight?
4. You hang a picture on your wall that is 2 feet by 18 inches. What is the area of the picture?
(Be careful!!)
5. What is the perimeter of the picture in problem 4?
