

# Women in Computing

*A special event presented by  
College of San Mateo*

---

**Date:** Monday, May 7, 2018  
**Time:** 4:00 to 5:30 pm  
**Place:** College of San Mateo  
Building 10, Room 195  
*(Reception to follow)*

Since the beginning of the computing industry, many women have played very important roles in the development of creative ideas, breakthrough theories, computer programming languages and tools, successful products, leadership, and much more. This special event presents women from the computer industry and education who serve as an inspiration to those about to enter the computing field, as well as those who want to know more about the many opportunities available to people with exceptional skills and valuable educational background. College of San Mateo welcomes all to this free event.
