

Assignment

Your assignment is to word process a draft of your classmate interview. Write in paragraph form. For first drafts, always double space (Click the tab for Page Layout, then paragraph 0, 0 for indent and 0, 0 for spacing. Then open Line Spacing, and choose double). Save the document on your USB device. Spell check. Grammar check. Save your spelling and grammar changes. To check your spacing, click the tab for Home, then click the paragraph symbol ¶ to show/hide invisibles, one space after end punctuation such as periods, one space between words and after commas). Get a printout of the work you did. If you do not finish, save your work so that you can come back and finish later. This is not for a grade, but you may be able to use this work later when we do the next project.

First Draft

Kyu Christman lives in a middle class neighborhood in Pacifica. She likes her house it has a beautiful ocean view. She enjoys watching the ocean while she drinks a cup of coffee every day morning. She was born in Korea, but she likes America better. she came to America to study after her high school in her country. But she had a hard time understanding English so she stopped going to school. Instead, she married an America man. She has two grown children. One of them is 27 years old. He lives in Denver. The other one is 26 years old and he lives in Pacifica near Kyu's house. She is a very business oriented woman. She bought a new house and small buildings in the Bay Area a long time ago, so she is taking care of properties instead of working for someone. She said she has a very good life. The only problem she has is when her tenants cal about problems. She likes to play golf and tennis. Her favorite movie is "The Gods Must Be Crazy". She said she saw it 4 times and it is a very funny movie. She doesn't like to cook or house work. She would rather paint the house.
