

SKYLINE CERAMICS OPEN STUDIO FOR TBA – Fall 2015
SUPERVISING INSTRUCTOR: TIFFANY SCHMIERER

- The ceramics studio is available to all enrolled Ceramics students for lab time in order to facilitate the 32 hours per semester “hours to be arranged” requirement for this course. This time is to be used to complete TBA activities, which includes practicing material techniques, and gaining experience with studio equipment. Assignments are listed on the TBA Assignments Log Sheet.
- This extra time is necessary in order for each student to meet the course Student Learning Outcome SLO’s
- **No guests are allowed to work in studio**
- Students must sign-in and fill in the TBA log with project or activity listed to get credit. TBA hours are 10% of your grade points.
- This schedule is subject to changes; all students should refer each week to the classroom blackboard for any changes or cancellations.
- Students need to clean up after themselves and be prepared to leave on time.
