OR
- Any full text version of *Fundamentals of Financial Accounting 4thed* by Phillips, Libby, Libby plus a connect access card (see below how to log onto connect to acquire a card)
- Students must read the **Wall Street Journal** since relevant articles will be discussed in class. If you wish to subscribe go to WSJ.com/studentoffer You will receive both print and online versions for the same student price.WSJ will ask what school you attend "Skyline College" and then who is your professor and you select "Whitten" I often read mine on my iPad since they have a mobile app is also included.

ASSIGNMENTS:

This course will require at least 5 hours of preparation time per class. Time management is essential. You cannot afford to fall behind in assignments; catching up is extremely difficult. If you find that you cannot master the material in this amount of time, go immediately to the accounting lab to learn how to study more efficiently using the tutor to answer questions when you get stuck.

Although only selected exercises and problems have been assigned, you should work as many additional exercises and problems as you can. The password for solutions for work not assigned is on my website. The password is **ACTG121**.

Homework counts for 10% of the course grade. Read each chapter and review the questions before proceeding to the exercises and problems. If you feel uncertain about how to do an assignment, you can

look at the illustrations in the chapter and follow the format, check solutions to problems not assigned, ask for help in the accounting lab.

You are expected to have completed the assignment before class. Homework will be checked for credit daily. Late homework will not be accepted. If you cannot come to class, send your work with another student or you may email to instructor. Late homework is not accepted for credit. Therefore, if you arrive late to class after homework has been recorded, you need to see me after class for partial credit.

Go to the accounting lab and sign up for a scheduled weekly lab session. David Hall is the lab tutor. The **separate lab syllabus** is on the last page of this document. Lab rules are also at the end of this syllabus. Your lab points will count for 5% of your grade in ACTG 121. Failure to complete these assignments will greatly harm your grade.

Success in this accounting course is dependent upon regular attendance, participation, and the completion of assigned homework. You may use the accounting lab for working on assignments or getting tutorial help whenever the lab is open in addition to your regularly assigned lab hour.

The accounting lab contains computers for your use. An accounting tutor is available in the lab for tutorial help in both problems and computer assignments. The Accounting lab is located in Room 8-209 and the phone number is 738-4247. Lab hours are:

Monday-Thursday	8 am to noon
Monday-Thursday	4 pm to 6:30 pm

Please Note:

- All beepers and phones must be mute during instruction
- No food is allowed in the lab

GRADING POLICY:

No makeup's will be given on quizzes or exams. You may make arrangements to take exams and quizzes before the assigned date if you will not be able to attend the scheduled sessions. *All cell phones must be turned off and placed in book bag on floor. Failure to do this will result in a grade of zero on the exam.*

Academic integrity is expected of you at all times (*go to the Skyline College 2017-2018 Catalog pages 52-58 for a full description of the code of conduct*). Violation of academic integrity rules will result in academic discipline at Skyline College. The course grade will be based on a weighted numerical average and a final letter grade for the course will be assigned using the standard 90-100 A, 80-89 B, etc.

Exam 1	25%	Quizzes & LS	10%
Exam 2	25%	Homework	10%
Exam 3	25%	Lab	5%

CLASS FORMAT:

This course is a combination of lecture, demonstration, and group discussions. You are expected to participate in the group process and in class discussions. The instructor will introduce the chapter material and go over assigned homework and the class will break into informal groups for additional discussions and problem solving. Please turn cell phones to silent in class.

Semester long project: 100 POINTS EXTRA CREDIT TOWARD THE QUIZ GRADE

Stock Portfolio Project DUE May 16 (email to instructor)

You have inherited the sum of \$100,000 from Aunt Millie. You are to invest these funds in companies which are publicly traded on one of the major stock exchanges.

This is an entire semester project which should be done using the EXCEL spreadsheet so that you can list the purchase price of the stocks and keep track of the dollar amount of difference on a weekly basis for the entire semester.

At the end of the semester email your summary spreadsheet along with an explanation of the purchasing/selling strategies you used and a total of the dollar amount of profit or loss as a result of your strategies.
